

Hello,

Thank you for downloading this product! I hope you'll enjoy using it with the kids. I highly appreciate your feedback, so please don't hesitate to leave a couple of sentences on my website or shop ☺. Also, feel free to ask any questions you have about this file.

Terms of Use:

This printable is copyrighted and it is for personal and non-commercial use only. This work is licensed under an [Attribution-NonCommercial-ShareAlike 4.0 International License](#).

You may print as many copies as you would like, as long as they are for personal and classroom use. However, if you need to use this file for other purposes, please contact me. Hosting this file on your own website (or blog, Facebook page, etc.) is permitted, as long as you direct your readers to my website.

Thank you! Ilinca

FONTS by Kimberly Geswein Fonts <http://www.teacherspayteachers.com/Store/Kimberly-Geswein-Fonts>.

INSTRUCTIONS: Print and laminate the following pages. The first page of each game contains easier shapes, so you can print only those for younger kids. Players have to match the number with the shape that has the same number of sides, while for the second game they have to match the name with the correct shape. Have fun!
